DOMO
ABOUT US

Since its establishment in 2006, Domo Sanitary Ware Co., Ltd has been dedicated to providing the global market with the reliable quality drainwater systems for shower trays, bathtubs and bathroom floors.

Over the past 18 years, we have accumulated rich market experience and technical expertise, enabling us to offer products that meet the highest industry standards.

Our team, through continuous innovation and improvement of our products and services, looks forward to creating more value for our customers and continuing to reinforce our position as a trusted partner in the industry.
